

Tamborine Mountain Bridge Club

EXTRA TRICK - NEWSLETTER JUNE 2018

UPCOMING EVENTS

Lesson

Intermediate lesson for improvers - Wednesday 20th June at midday.
Reading the opponents Lead

Club pairs championship

Friday 7th July.

There will be 2 divisions-open and novices (less than 100 mp).

Everyone has a chance as it will be a Swiss Pairs format. All pairs will be seeded and the first round you will play opponents of equivalent ranking and then move up or down depending on the result.

Please nominate on the notice board.

Trivia night

Friday 27th July at 6pm.

Nominate teams of 8. It is an Australiana theme night.

Pies and slices will be provided free to members and \$10 for non members.

BYO drinks.

Questions will be about Australia and each team can choose a subject from the list on the notice board and compose 10 questions relating to that subject.

GNOT Teams

Grand National Open Teams (GNOT) will be played on Thursday 9th, 16th and 23rd August commencing at noon on each day.

Club will pay Zone nomination fee and you will pay table fees and bring your lunch. It will take the place of usual Thursday bridge. You will be in teams of 4 and you also can nominate reserves. Place your teams on the notice board.

FYI

PBN Hand Record Download Procedure

Session Results page now has a new feature "Download and save PBN File". This file is the hand record for the session, it can be opened in Bridge Baron and other apps. You now have the ability to play and review all or interesting hands again. Click the following link for the procedure on how to download and open. Please call "Hayden Riddle" should you require help with the download and opening the hand record. He is happy to give assistance. Click on Procedure on our website members page.

Bridgemate Results

Currently our bridgemates show progressive results which other clubs don't show. Some members are abusing this feature by grabbing the bridgemate across the table to look and having a prolonged discussion which can also be overheard by other tables. Only the player entering the data and the player verifying the result should view the bridgemate and then play will continue. Our committee will retract this feature if this is not adhered to.

Session Times

Please be seated 15 minutes before the session is times to start. The director needs to know the number of pairs before the movement can be determined and setup on the computer. If you are running a little late please let your partner know
