

# *Tamborine Mountain Bridge Club*

## **EXTRA TRICK - NEWSLETTER** MAY/JUNE 2018

### **Bridge For Brains**

Our club scored very well at the annual Bridge for Brains national benefit competition in early May. The competition raises much-needed funds for neurological research.

A total of 2,101 pairs from 98 clubs across Australia competed.

Eddie Heinemeyer and David Cowsls scored a great fourth place overall with 71.818 percent. They placed third among north-south pairs. Doris and Alan Anderson placed a strong 20th among the East-West pairs.

We fielded 19 pairs in the competition.

Well done to everyone.

### **Broadwater Challenge**

We recently competed in a head-to-head challenge with the Broadwater club. We fielded eight pairs, taking first, fourth and fifth places. A great result.

### **New member**

Please welcome Michael Molson to our club. Michael swears he has not played for a long time. His performances since joining us suggest he is remembering quickly!

## **UPCOMING EVENTS**

### **State of Origin Teams**

Don't forget to register for our State of Origin comp. Put your names on the sheet on the noticeboard.

### **GNOT Teams**

We will field players in the Australia-wide Grand National Open Teams (GNOT) event this year. If you want to form a team and compete, add your names to the sheet on the club notice board.

GNOT comes down to 64 teams which attend the National Final, a four-day event in Tweed Heads at the end of November
